BEFORE THE STAY :

The guest must not have any of the following symptomatics that may suggest the actual COVID-19 epidemic

- No fever
- No respiratory complications, (cough or any breathing difficulties outside of known chronic diseases)
- No digestive problems (nausea, vomiting and diarrhea...)
- No acute ENT problems (colds, loss of smell and taste...)

IN THE CASE YOU HAVE ANY OF THESE SYMPTOMS PREVIOUSLY MENTIONED BEFORE YOUR STAY, IT IS IMPERATIVE TO NOTIFY THE HOTEL SO THAT SPECIFIC MEASURES ARE IMPLEMENTED

On arrival time:

As soon as you will be entering the building, please use the hydroalcoholic protection lotion available at reception front desk.

During your stay:

Wash your hands very often, and mostly after each traveling in between the common areas of the hotel (corridors, reception, parking, elevator, dining-room...). Respect a security distance of at least one meter between you and each person you will happen to meet.

Notice that if your stay is over one (1) night duration, the room will not be made and that you will have to come towards reception to get the exchange and renewal of your, towels.
asking you to understand that this is once again for general safety purposes.

For each day of your stay, before 11.00pm you must come at the reception to choose your breakfast menu.

On departure day:

Open all the windows before final departure from the room.

Understand those measures are exceptional and taken for everyone's safety. We will be highly grateful to you for respecting carefully the rules.

Of course, do feel free to come towards reception anytime should you have questions or requests about your stay and/or your booking.
